A GLOBAL BRAND WITH OVER **NINE BILLION MEDIA IMPRESSIONS** IN 2022. **MAXIM** HAS THE POWER TO ATTRACT ATTENTION!

The Evolution of MAXIM
MAXIM is the largest men's magazine brand in the world. First launched as a magazine in the United Kingdom in 1995, MAXIM now boasts brand extensions in print, online, mobile, broadcast, events, social media and more. Since MAXIM hit its stride in the US in 1998 and www.maxim.com launched in 1999, the brand has become a force to be reckoned with. MAXIM's 360° programs and global franchises such as HOT 100, Best Stuff of the Year and the MAXIM Party during Super Bowl weekend are grand reflections of MAXIM's growing and long-lasting influence in today's media

world. In 2023, with international editions in European and Asian countries and an extensive following in the United States, MAXIM continues to reach guys globally and creatively. MAXIM knows what guys like and MAXIM talks in the same way guys talk to each other. With men 18-34, we know the way they live, the way they work, the way they think and the way they play. MAXIM provides content and the appropriate channels for which this content is distributed — all while keeping in mind the needs of the audience we serve. MAXIM believes the content it serves should always evolve and adapt to the needs of our audience.

Who is the MAXIM Reader?
We reach reach more than half a million Australian men aged 18-34 years old across our platforms including print, digital, social and events. These men are alpha males: peer-group leaders who are confident, successful and voracious consumers of products and services. Their friends turn to them for advice on which car to buy, who's the hottest starlet right now and how to manage their portfolios. With a high median household income and a median age of 30, MAXIM readers are wealthy, young, and look to our brand for social cues and entertainment. For unparalleled exposure to young men 18-34, MAXIM is second to none.
